

Advanced Tissue offers contact hours, at no charge to nurses and other healthcare professionals interested in maintaining and improving their knowledge and skills.

Topics available for contact hours:

1. Pressure Ulcer Prevention: QAPI Strategies and Workshop
2. Pressure Ulcer Prevention Strategies and Care Plan Interventions
3. Components of Wound Assessment
4. Strategies for Wound Care Treatment and Debridement
5. Let's Go on Wound Rounds: Management of Pressure Ulcers
6. Let's Go on Wound Rounds: Staging and Treatment of Pressure Ulcers
7. MDS 3.0: Section M: Skin Conditions: Maximizing Coding Accuracy and Reimbursement
8. Preventing Pressure Ulcer Litigation
9. Assessment and Management of Venous and Arterial Ulcers

Upon successfully completing an Advanced Tissue Webinar, a certificate for **1.0 Contact Hour** is provided by Carolyn Brown Consulting, an approved provider of continuing nursing education by the Florida Department of Health Board of Nursing.

Carolyn Brown, BS, MEd, RN, ARM, CWS, FACCWS, is a recognized speaker on wound care and has been an invited presenter and lecturer at national clinical meeting and conference. She has authored numerous articles and publications to “train the trainer” and is well known for her work and advocacy on behalf of the nursing assistants’ role in prevention of pressure ulcers.

To receive your contact hour certificate, go to www.advancedtissue.com/wound-education/, view the webinar content from the options above, then email your name, license number and state of licensure to Advanced Tissue at webinar@advtis.com. By submitting your name and license number for consideration, you attest to having viewed the training module in its entirety.
